

June 2024

To the Pastor or leader of Women's Ministry:

I hope you are doing well and are enjoying the beauty of Spring ...and that you are Digging Deep into the rich soil of God's love & goodness!

At the Women's Spring Retreat in March, we were reminded to put our roots down deep into Jesus. I trust that is your experience!

Can you please make sure the right person gets this information?

DEEPLY ROOTED

We have another opportunity to be **DEEPLY ROOTED** as we gather together in September for Women for Missions! Mark your calendar now, and plan to come join us.
