

THE PACIFIC CONFERENCE WOMEN'S MINISTRIES MISSION PROJECTS 2026

BIBLE PROJECT

**Bibles for
Women**

Bibles for Women is a project of One Mission Society's Dynamic Women for Missions ministry. This project provides Bibles and discipleship materials to women in under-resourced regions around the world. These women may be brand new believers, long time believers or even spiritual leaders in their communities without a personal Bible. Your support helps equip them with God's Word to transform lives, families and communities through the power of Scripture.

INTERNATIONAL PROJECT

**American
Indian
Field/New
Mexico**

Many children and teens grow up surrounded by lies, abuse and hopelessness. Native American reservations have a pre-teen and teenage suicide rate that is 3 times higher than the rest of the US. They need the truth and hope found only in Christ. World Gospel Missionary Krista Landaas is sharing God's truth and hope in New Mexico through activities such as after-school Bible clubs, music lessons, volunteering in the local school district, Bible studies and cultivating impactful relationships through mentoring. She and the mission personnel she works with support new believers as they grow into faithful disciples.

LOCAL PROJECT

**Soccer in
Yakima**

Kristen and Jesus Vega and their family are serving with Commission to Every Nation (CTEN) in Yakima, Washington. The Vegas are using soccer in ministry among the very large young Hispanic population of the area. Having previously served for 5 years in Peru, the Vegas experienced firsthand how relationships formed on the soccer field can open doors for sharing the Gospel and reaching whole families with the message of God's love for them.
